Warehouse Operative required with HGV2 license

Temporary to Permanent, 12-Week Working Trial - Immediate Start Available.

The main requirement of this role is to work in a busy warehouse environment, assisting with goods-in/out, picking and packing, palletising stock for collection, unloading delivered stock and stock inventory. The core of your duties and responsibilities will revolve around the Warehouse Operative aspect.

Candidates will also be required to cover for the delivery drivers as and when necessary and this will include driving vehicles ranging from 3.5t-HGV2 - so a Digital tachograph and CPC are essential.

Delivery routes are various and can change dependent on daily requirements and which routes/vehicles may need covering.

Full UK driving licence (we will need to complete a DVLA check).

Digital Tacho card.

Driver CPC.

Eligible to work in the UK full-time.

Warehouse and HGV Driver experience.

This role is 40hrs per week Monday to Friday and candidates must be flexible.
