

Water Safety Engineer/Contract Manager

[Apply Now](#)

Company: Matchtech

Location: Brighton

Category: construction-and-extraction

Our client is looking for a Water Safety Engineer/Contracts Manager to start work on projects based around Brighton & Hove, this is a 6 month PAYE contract starting ASAP.

Key Responsibilities:

Conduct essential safety checks and manage specialist contracts (e.g., Water L8, Legionella Control).

Oversee the system replacement programme to ensure effective operation and compliance.

Manage technical and customer communications to maintain water safety and system efficacy.

Address the needs of tenants, leaseholders, and their representatives while maintaining performance standards and budget.

Essential Criteria:
Minimum 2 years of experience in water safety engineering or related field.

In-depth knowledge of ACOP and relevant water safety regulations.

Ability to manage multiple contracts and adapt to additional responsibilities if

required. Urgent Requirement: This role is critical to meet compliance and manage increased workload due to the current Building Services Manager's sick leave. The successful candidate will play a vital role in managing requests from the Regulator of Social Housing (RSH) and ensuring the safety of our residents and staff.

Apply Now: If you meet the criteria and are ready to take on this challenging yet rewarding role, please submit your application. We look forward to welcoming a dedicated professional to our team.
