

Wealth Planning Director

[Apply Now](#)

Company: Nigel James Associates Ltd

Location: London Area

Category: business-and-financial-operations

RoleNigel James Associates are delighted to be working with one of the country's top Wealth Managers supporting them to recruit for an experienced Financial Planner to join them in their London office. Our client provides both financial planning and investment services. You will be working across the different arms of the business to develop a client portfolio of HNW individuals. **Requirements**You must have 5 years plus experience advising. You need to be commercially focussed and be able to develop business as well as maintaining strong relationships to provide high level advice to HNW clients. You will be at the very least working towards being Chartered, if not already Chartered. **Why join?**This is a brilliant opportunity to join a well-known brand in the industry with a fantastic reputation. There is a clear path, along with support and encouragement for the progression of your career. You will be rewarded with a substantial basic salary alongside bonuses and benefits. **What next?**If you have the relevant skills and experience, and looking for an exciting/challenging opportunity with a company which offer fantastic careers, you should apply!
