Company: Latitude Recruitment

Location: Christchurch

Category: other-general

Tig Welder

We currently have a fantastic opportunity for a Tig Welder to join a leading and growing manufacturing company based near Christchurch.

The ideal Tig Welder will have a background with thin gauge welding of Aluminium components. It will be a mix of Mig / Tig and Brazing and the Aluminium can be as thin as 2mil. Any aerospace welding experience would be preferred, however candidates with good thin gauge Tig experience within other sectors will also be considered.

Salary: £36,500 - £40,500 (based on experience)

Hours: 37 per week, which can be worked across 4 days or 4.5 days

Overtime: Available

For candidates with good welding experience, however no aerospace experience, and with the right attitude and willingness to develop, there may also be an opportunity to come in on an agreed salary before progression to the full salary scale so please apply, it could be a fantastic opportunity to develop your skills.

If you could be interested in this fantastic Tig Welder opportunity, please apply and we'll be in touch to discuss further.
