

## Welder/Fabricator

[Apply Now](#)

Company: Central Recruitment Solutions

Location: Blackburn

Category: production

We are seeking a skilled Fabricator/Welder to join our team. As a Fabricator/Welder, you will be responsible for assembling and welding various metal components to create finished products. This is a hands-on role that requires expertise in power tools, hand tools, and sheet metal fabrication. If you have a strong mechanical aptitude and enjoy working with your hands, we encourage you to apply.

Please advise only candidates with welding/ fabricating experience will be considered.

### Responsibilities:

Read and interpret blueprints, drawings, and specifications.

Use power tools and hand tools to cut, shape, and assemble metal components.

Fabricate and weld metal parts using various welding techniques (MIG welding).

Perform quality checks to ensure finished products meet specifications.

Collaborate with team members to complete projects on time and within budget.

Maintain a clean and organized work area.

### Experience:

Proven experience in metal fabrication and welding.

Proficiency in using power tools and hand tools.

Ability to read blueprints and technical drawings.

Strong knowledge of sheet metal fabrication techniques.

Basic math skills for measurements and calculations.

Experience with stick welding is preferred.

Mechanical knowledge is a plus.

If you are a skilled Fabricator/Welder looking for an exciting opportunity to showcase your talents, we want to hear from you. Apply today.
