

Welder/Fabricator

[Apply Now](#)

Company: Streamline Search

Location: Failsworth

Category: production

My client is a leading provider of precision metal fabrication solutions and they are seeking a Welder/Fabricator to join their team based in Manchester. As a Welder/Fabricator you will play a pivotal role in the production process, contributing to the fabrication of high-quality metal components and structures.

(Welder/Fabricator) - Position Overview

Fabricate and assemble sheet metal products according to engineering drawings, blueprints and specifications

Operation sheet metal machinery including press brake machine.

Utilise hand tools and welding equipment to join metal parts together, ensuring accuracy and adherence to quality standards.

Perform quality inspections on finished products to verify conformance to specifications and identify any defects or imperfections.

Collaborate with engineering and design teams to troubleshoot issues, propose solutions and optimise fabrication processes.

Maintain a clean and organised work environment, including proper storage and handling of materials and equipment.

Follow safety protocols and procedures to prevent accidents and ensure a safe working environment for yourself and your colleagues.

(Welder/Fabricator) - Position Requirements

Time served as a sheet metal worker or welder

Time keeping & punctual

Confident reading and working to manufacturing drawings (critical)

Experience MIG and TIG welding thin plate mild and stainless steel (essential)

Experience operating CNC Press Brake (preferred)

Experience welding aluminium (preferred)

(Welder/Fabricator) - Position Remuneration

Monday - Friday

8 hour shifts

07:30 - 16:15 Mon - Thurs

07:30 - 13:30 Friday

39 hours per week

£16 - £17 per hour

Company Pension

On site parking

Overtime available at 1.5x but is not regular
