Company: Euro-Projects Recruitment Ltd

Location: Tadley

Category: architecture-and-engineering

Welder Fabricator

* Skilled Sheet Metal position that involves fabrication and wider welding processes.

* Day shift role – 8:00am to 4:00pm Mon – Thurs, 8:00am to 3:00pm Fri.

We are currently working with an established engineering manufacturer to help recruit for a skilled Sheet Metal Worker or Welder Fabricator. The position has been created due to growth. Chance to be part of a smaller, friendly working team. Excellent work culture.

Salary: c£30,000 to £36,000 depending on experience. The company have an internal grading system to show how you can progress.

This Sheet Metal Worker job will suit:

* A skilled Welder Fabricator / Sheet Metal Worker who is comfortable to working across different projects.

* TIG and MIG or Laser welding is an advantage.

* Scope to use wider machinery / learn new skills. Wider sheet metal experience would be

useful, but not essential.

- * Being able to develop junior members / sign off own work warrants the higher salary range.

The Welder Fabricator job's working environment, opportunities and rewards:

- * Opportunity to join an established business. The culture is very friendly and very supportive.

- * Modern, clean facility that have invested in developing the business.

- * Fixed day shift with scope to progress.

- * Small, friendly team culture.

The Sheet Metal Worker job will involve:

- * Ensuring that production schedules are met.

- * TIG and / or MIG welding. We are ok with light / minimal experience around this if you are more of a fabricator by trade,

- * Designing and creating welding fixtures to improve efficiency

- * Validate your own and others work to ensure they meet the required specification.

- * Setting up and operating fabrication equipment

- * Assisting with the development of apprentice/s and new starters.

This job is commutable from Tadley, Basingstoke, Aldershot.
