Company: Ambitek Limited

Location: United Kingdom

Category: production

Our client are a small engineering firm who are looking to recruit a all round welder/fabricator.

You must be able to weld/fabricate various materials.

The role is on days and is paying around £15 paye or £17 Umbrella/CIS.

This is a small firm who are located in a small workshop so you need to be comfortable in this type of environment.

Ideally you will have a cscs but this can be done again, but you do need experience of site work.
