Window Fitter

Are you a skilled and experienced window fitter/joiner on the lookout for a rewarding career with a reputable nationwide company? Look no further!

Join our client's success story and become a part of their team of talented window fitters and joiners, servicing Blue Chip insurance companies since 1986.

We're expanding and seeking experienced and proficient window fitters and joiners living in the Glasgow area to join our team.

As an ideal UPVC Window Fitter, you'll be responsible for removing old windows and doors using hand and power tools, taking measurements for new fittings, making bespoke changes, fixing windows and doors, and clearing away debris after the job is done. You'll also be required to repair and replace products as per the customer's request and train and support assistant window fitters.

You're likely to be an experienced fitter with a proven track record of fitting windows, doors, and conservatories, and ideally, garage doors. A NVQ level 2 qualification in Fenestration and MTC Training is desirable, along with the ability to work independently and adhere to health and safety regulations. A valid driving license is essential.

Our client offers a fantastic package of benefits, including good rates of pay plus overtime and bonus, 28 holidays per year, a pension scheme, and company workwear. You'll be provided with a company van, diesel, and power tools.

The salary for this position is competitive, up to £41,600 (£800 per week), with opportunities for career advancement and ongoing training and development.

This is a full-time PAYE career with fast-track progression, not a temporary contract, and job security and reliability are guaranteed with long-term contracts with major insurance companies.

Join us and be a part of our team of expert window fitters and joiners, fitting the best-in-class windows and doors throughout Scotland.
