Wireman

Acton

£28,000 - £30,000 Basic + Great Working Environment + Stability + Optional Overtime
+ Early finishes + Holidays + Pension

Are you an experienced wireman looking to join a company focused on being a great place to work in a clean environment? If so, you will benefit from working in a team environment while increasing your knowledge working on bespoke specialist products. Be appreciated for your work whilst working with like minded individuals.

The company specialises in the design, manufacturing and supply of bespoke electromagnetic components and products. Due to continued increase in demand, they are looking to bring in an additional wireman to join their growing team. Feel valued through hard work and gain recognition when doing a great job.

Your Role As A Wireman:

- * Wireman role - fine wiring.
- * Read and follow electrical drawings / wiring diagrams / schematics
- * Carry out a variety of panel wiring, soldering and other electrical engineering tasks.

* Working with wires of 80 micron diameter.

The Successful Wireman Will Have:

- * Experience as a fine wire technician / wireman / electronic engineer / electrical assembly technician or similar
- * The ability to read and interpret electrical drawings / wiring diagrams
- * Expert level soldering skills
- * Knowledge of panel wiring / electrical wiring or similar
- * Live commutable to Acton, London

Please apply or contact Sam Eastgate for immediate consideration
