

Wireman

[Apply Now](#)

Company: yolk recruitment

Location: Stone

Category: architecture-and-engineering

Wireman

£27,000

Permanent position - Stone, Staffordshire

Must be able to obtain SC clearance

Yolk Recruitment have recently partnered with a world leader in the energy and nuclear sector, who are currently leading the market with their focus on advanced system integration. Your role as the wireman will be to help deliver critical projects across energy, water, renewables and manufacturing.

Responsibilities:

The assembly and wiring of electrical components, of varying size and complexity using drawings, parts lists and specifications

Mechanical assembly of cubicles and framework

Bench assembly of electrical sub-assemblies

Work to company standards and procedures

Skills:

Have at least 3 years experience in reading electrical schematic drawings.

Control panel wiring

Mechanical assembly experience

Have the ability to work to deadlines

Display good communication skills

Be able to obtain SC clearance.

In return you'll receive an attractive package, opportunities to develop personally and professionally with full exposure to engaging projects with one of the UK's leading names in the industry.
