Company: Focus Cloud

Location: United Kingdom

Category: computer-and-mathematical

A fantastic opportunity for a Workday Integrations SME to utilise existing Workday Integrations experience in a BAU environment across Workday Financials.

You don't necessarily have to have pre-existing Workday Financials Integrations experience as this is more niche in the UK Workday ecosystem however, will have good HCM experience & ideally hands on experience with either Studio or Prism.

Utilising the breadth of your Studio or Prism experience, Core Connectors, EIB, XML, XSLT experience to act as a Workday Integrations analyst within a superb european company across the Financials landscape.

Position: Workday Integration Analyst/Consultant

Employment Type: Full Time, Permanent

Start Date: ASAP

Location: Remote

Salary: £70,000 - £90,000 Base Salary (Dependant on Experience) plus discretionary bonus & a good benefits package to match

Skills & Experience Required:

- 2+ Years Experience in the Workday Ecosystem specialising with Workday Integrations across either HCM or Financials

- Experience across Studio, Prism, Eib's Core Connectors, PECL/PICOF, XML, XSLT & XPATH
- Team player - Good collaboration skills
- Senior Stakeholder Management skills
- Prior Workday Training preferred but not essential

About Focus On WD:

As a business we wholly and totally concentrate on recruitment for the Workday ecosystem, which means we know our area inside & out. Our knowledge of the Workday ecosystem is what separates us from the rest and drives us forward
