Job Profile

ZERO HOURS Residential Valuation Surveyor - Scotland

Founded in Glasgow in 1884, Walker Fraser Steele is one of the longest established Chartered Surveyor brands in Scotland. We're proud of our Scottish heritage and reputation, which has allowed us to stay at the forefront of the residential property market in Scotland for well over a century.

In June 2013, the business joined forces with (part of). Which includes household names YOUR MOVE and Reeds Rains, as well as the mortgage broker network First Complete. We work with lenders, intermediaries, social housing entities and estate agents in addition to private customers.

is the UK's leading provider of residential valuation and surveying services and brings technical expertise and know-how to complement our in-depth knowledge of local markets. This is a unique formula that adds huge value for our clients and customers.

We are seeking additional RICS accredited Residential Surveyors nationwide, to

support the growing volume of Mortgage Valuation work that the UK's leading lenders rely on Walker Fraser Steele to complete. Because of our size and the large network of lenders that we service, we're able to offer the most concise postcode coverage available amongst any of the corporate brands, which means less travel time between surveys and more time available to complete the day job.
